LA PORTE GOLIVA

100% Pinot Meunier - 75 cl

Introducing La Porte Goliva

Manual harvest, grape sorting on plot, plot checks and ripeness inspection. We want perfectly ripe grapes. Whole cluster pressing.

This vintage is made using grapes from a single plot: La Porte Goliva

Vines over 30 years old. Prime south-facing 5000m2 hillside plot overlooking the village of Pévy. 2017 and 2018 reserve wines account for 40% of the vintage whilst the 2020 harvest makes up the remaining 60%.

Very limited quantity for this harvest year.

100% of the wine is made or aged in barrels.

It undergoes malolactic fermentation. Aged in oak barrels and vats. Then it's time for one last fermentation. It's a slow and steady process with the bottles laid on slats.
